

VISITVIBE

Be a local anywhere.

Isak Suljanović

Problem

- There is no solution on the market for realistic insight of offer quality
- Tourists are frequent targets of scams
- Marketing is often too expensive for companies

Solution

- Offer selected only on reviews
- Local insight of cities
- Promotion of quality offer
- Promotion prices wherever
- Only customers can review

Key added value

- Improving the average customer experience
- Operation of the application follows a simple formula: $\text{Quality} = \text{Success}$
- Marketing paid by performance

Business model

- Percentage of each transaction
- The possibility of hiring verified experts
- Promotion of events

Market cap

- In 2019, the world tourism market cap was 5.29 trillion dollars
- Tripadvisorja revenue in 2019 was 1,6 billion dollars
- Online Travel Market size to rise at 14.9% by 2028

Why are we better?

QUALITY = SUCCESS
